Events

School of Aviation

The Organization of Black Aerospace Professionals (OBAP) took a trip to Nashville to tour Nissan’s corporate flight department where they toured the Bombardier Challenger 600 series aircraft, learned about the professional life of a corporate pilot, and met with the Chief Pilot for Nissan USA, Paul Marciniak.

The OBAP visited the Smyrna/Rutherford County Airport to meet with the Executive and Deputy Directors. The students heard first-hand what it is like to be an airport administrator at a smaller airport and tour the facility.

The OBAP toured the operations center of United Airlines at Nashville International Airport, where they had the chance to get to know two pilots for United Airlines, one of which was conducting their very first trip as a United Airlines’ First Officer.
